Subject: Approval of Amended Notice of Intention to Commence Small Mining Operations, Broken Arrow, Inc., Harborlite Perlite Pit, S/045/0044, Tooele County, Utah

Dear Mr. Hullinger:

The Division of Oil, Gas and Mining finds your amended Notice of Intention to Commence Small Mining Operations (NOI) complete. You are now permitted to conduct small mining activities as outlined in the amended NOI, provided you have approval from all other appropriate agencies. The approval or acceptance of a complete NOI does not relieve an operator from his responsibility to comply with the applicable statutes, rules, regulations, and ordinances of all local, state and federal agencies with jurisdiction over any aspect of the operator's mining operations. Enclosed please find a copy of the approved amendment to your NOI.

Please keep in mind the following regulatory requirements.

- Stockpiling topsoil material prior to beginning activities will help ensure successful revegetation. Even the first few inches of undeveloped material is worth saving to aid in later revegetation efforts, and future regulatory surety release.
- If you encounter any archaeological or historical items, you are asked to notify this office and the Division of State History.
- Annual reports and permit fees are due by January 31st.

The Division's web page at <http://ogm.utah.gov> under the Minerals Program has a link to the rules under which you are expected to operate and to other information to assist you in complying with program requirements. Thank you for your cooperation. In reply, please refer to file number S/045/0044. Please contact Leslie Heppler at 801-538-5257 or me at 801-538-5261 if you have questions or concerns regarding this letter.

Sincerely,

Paul B. Baker
Minerals Program Manager
